

## Instructions for the World Peace Crystal Grid Cards

This set of Peace cards is being provided to you as a gift with the hope that you will use them to bring peace to the world and also allow them to bring peace into your personal life. The Peace Grids have been designed to hold Reiki energy and to send it into the world to help others. The Grids were placed at the North and South Poles, in Jerusalem, in the classroom at the International Center for Reiki Training, at the Maluhia Lani Reiki center on Maui and in the main temple on Mount Kurama in their sacred room.

The pictures on the cards embody the energies of the grids and can be used to send distant Reiki to them and create peace in the world. The pictures also create peace within the environment they are located in and create peace and healing within you when you meditate with them.

When printing the cards from this file, print page 3 first, then place this page in your printer and print the image of the peace grids on the back, then trim. Print at “Actual Size” on card stock or double sided matte paper for best results.

*May the followers of all religions and spiritual paths  
work together to create peace among all people on earth.*

The World Peace Crystal Grid was placed in the classroom of The International Center for Reiki Training in 2005. It contains symbols for the major religions of the world including native peoples and independent spiritual paths. Its purpose is to act as a receiver/transmitter of healing energy to promote peace in the world. This location is important because it is the headquarters of the ICRT where Reiki energies are sent out into the world through the many Reiki projects that originate here including: the World Peace Crystal Grid project, Reiki classes, *Reiki News Magazine*, Reiki energy sent to those requesting distant healing, and to world crisis situations, Reiki in Hospitals web site and so forth. Please use this picture to send distant Reiki and prayers to the Peace Grid which will charge it with healing. The Peace Grid is programmed to automatically send peace to crisis situations in the world as well as to create peace among all people on Earth. As you send Reiki to the Peace Grid, you'll become part of the group of peacemakers who are using the Grid to create world peace. May your heart be blessed by the peace you are helping to create.

Duplicate Peace Grids have also been placed at the North Pole, South Pole, Jerusalem, the Center in Maui and the main temple on Mount Kurama. To learn more go to [www.reiki.org](http://www.reiki.org)
